Important Information

How to Apply

Applying for ClubGRANTS funding is quick and easy. All funding is processed locally and community groups can contact their local clubs at any time for information and advice. ClubGRANTS is also flexible, allowing clubs to provide support efficiently, and often as soon as a need emerges.

To be eligible to apply, you should be a not-for-profit organisation and provide the following project and/or services: community welfare or social services, community development, community health services or employment assistance activities. You are also eligible if you or your organisation are involved in community or professional sport.

The ClubGRANTS Application Guide has been prepared to assist prospective applicants navigate the Scheme. The Guide provides general information on the various funding categories, who can apply, how to apply, and reporting requirements. It also provides advice to applicants on how to stand out from the pack and how to say thanks.

A copy of the Application Guide can be found at www.clubsnsw.com.au/clubgrants

Applications should be sent to local committees or individual clubs. Applications sent to ClubsNSW will be returned. Information about where to apply can be found at www.clubsnsw.com.au/clubgrants
